

HAIR undRESSERS

The first of these is the *Journal of the American Medical Association* (JAMA), which has been the most influential of the medical journals in the United States. It was founded in 1883 and has since then published a wide range of medical research, including clinical trials, epidemiological studies, and reviews of the literature. The journal is known for its high standards of scientific rigor and its commitment to the advancement of medical knowledge.

[illegible]
